PUT COLOR IN YOUR MATS,

SUMMER'S SWEET-SCENTED FLOWERS

Dear Reader,

Summer is a season when we all hope to catch up on personal time, when we can fit an hour or two of quiet leisure into our busy schedule, out of the day's heat. What can be more restful than working peacefully on a beautiful doily or a lovely collar, while comfortably settled in your favorite chair — in or out of doors?

This issue of *MAGIC CROCHET* is chock full of ideas to spark off your imagination. And it will keep you faithful company throughout the sunny months. Mats in all hues and colors cover our pages like so many sweet-scented flowers. Use white or saffron yellow fabric and trim it with tasteful lace to make a tray mat. Or, why not, venture out to bigger things, such as a lace-edged curtain or a tablecloth. Factor in an even more ambitious project with our "Land of Nod" bedspread, a veritable work of art that will have everybody oh-ing and ah-ing.

Hand-crocheted curtains on your window instantly give a cozy, olden-days atmosphere to any room. They take little time to complete and you'll be amazed at the transformation, particularly if your decor scheme includes a few prominently placed cushions.

Our style-conscious fashion creations make one thing pretty obvious: nobody but you will show up at the party wearing this little blue dress or that cute cardigan. Choose one of our lacy collars to dress up any blouse or frock by adding a romantic note of nostalgia.

Have plenty of fun with your hook and thread!

Sincerely yours,
Paulette ROUSSET

2. Extend last loop of hook until it measures from 3/4" to 1 1/4". Remove hook from lp. Pinch loop between index and thumb of left hand, then bend slightly to left by holding it between index and thumb of right hand.
3. With ball thread, form loop and hold it between index and thumb of left hand.

4. Put RH loop through LH loop so that RH loop extends by about 1/8" beyond LH loop, then pull ball thread with your left hand to tighten knot (see Detail diagram).
5. Keeping ball thread taut, insert bead over knot and onto ch st or ch sts.
6. Insert hook under 2 strands of extended loop (make sure strands are not twisted), pull them out to undo knot.

How to follow the diagrams

Crocheting involves only a limited number of stitches, but by combining them you can create many different patterns. We have devised a system of symbols for the stitches, and these symbols are used in a pictorial diagram of each pattern or motif. From the diagram you can see the degree of difficulty of each project, and you can tell at a glance how far along you are by checking your work against the diagram. While you may be unfamiliar with this approach to crocheting, we feel sure that, with a bit of practice, you will find it much quicker and easier than a row-by-row description method.

To get your project working smoothly, read the instructions and consult the abbreviations. As you proceed with the work, note that some patterns will require special symbols, and these will appear alongside the diagram with an explanation.

The additional diagrams—completed work, details of edging, etc.—will assist you in making more advanced crochet projects.

You are now ready to try your hand at any of our lovely patterns. A word of advice: Always read the instructions carefully before you begin. They may contain information on a fancy stitch, or on edging or assembling, that is not shown in the diagram.

stitch is ch, or ch st, and the symbol is O. In this sample diagram, you can see that in Round 1 a loop has 6 ch, while a loop in Round 3 has 4 ch. In Round 4, you are working in groups of 9 treble crochets, for which the abbreviations is tr and the symbol is T. Only part of Round 3 is given in detail. That is because the same series of stitches is repeated all the way around. Likewise, only one petal is shown in full detail, because the same pattern is repeated each time. Arrows indicate the direction of work. Note that some patterns will require special symbols, and these will appear alongside the diagram with an explanation.

The additional diagrams—completed work, details of edging, etc.—will assist you in making more advanced crochet projects.

All about cottons and hooks

There are many types of crochet thread on the market, and several types of hooks. To help you choose the right yarn and the right hook, here is a description of the most common crochet cottons, with their yardage and a chart of hook size equivalents. Keep in mind that your individual crocheting style may call for a slightly thicker or thinner hook than the one recommended for a specific project.

CLASSICAL THREAD: Six-cord crochet cotton is available in several colors and thicknesses (the higher the number, the finer the thread) and it is tightly twisted.

Four-cord, three-cord or uncorded thread is less expensive and easy to obtain.

Each ball weighs 20 grams, or approx. 3/4 oz. or an ounce.

HOW TO WORK PATTERNS FROM OUR DIAGRAMS

On this page and the next, you will find the key abbreviations and symbols used in our diagrams and instructions. Step-by-step illustrations show newcomers how to work the basic stitches and techniques. Additional abbreviations or symbols needed for a specific project will be included and explained with that pattern. Note that, in each diagram, rounds or rows are numbered in lightface, while a boldface number inside a loop indicates how many chain stitches to work in that loop.

RAISED DC PATTERN (Rdc pat):
ROW 1: Dc across. ROW 2: Dc
across. ROW 3: Insert hook
from right to left around stem
of dc 2 rows below and work
dc. Rep rows 2-3 for pat.

SQUARE MOTIF: Beg at center, ch 8 and join to form ring.
RND 1: In ring work 24 dc (first dc = 3 ch); close with

sl st in top of ch-3. RND 2: Ch 1, * 1 sc in top of dc, 6 ch, sk 5 sts, rep from * beg with next dc; close rnds 2-4 with sl st in first sc. RND 3: Ch 1, in each ch lp around work 1 sc, 2 hdc, 2 dc, 5 tr, 2 dc, 2 hdc and 1 sc. RND 4: Ch 1, work * 1 sc in 5 ch, sk 2 hdc, (sc in next st, 5 ch, sk 3 sts) twice, 1 sc in next st, 5 ch, sk 3 sts, rep from * around. As of 2nd motif, join on rnd 4 thus: replace center st of each of 5 ch-5 lps on one side of motif with sl st worked in corresp st of adjacent motif. Join all motifs in this way.

BIND OFF: At beg of row (rnd), sl st across req number of sts; at end of row (rnd) leave req number of sts unworked.

NOTE: Dress is worked in the round. Row effect is obtained

thus: close first rnd with st
st in first st, turn, cont rnd
2 in opposite direction so
that odd-numbered rows will
be on RS and even-numbered
rows on WS of dress.

TO MAKE
BODICE FRONT AND BACK: Beg at lower edge, ch 248(260-274) sts and join to form ring. Work dc rnds with row effect (see Note). First dc = 3 c throughout. Mark beg and midpoint of rnd with bit of contrasting yarn (= sides of dress). On each side of each mark inc 1 st every 4 rows 6 times, then inc on Front only 1 st once ~ 274 (286-300) sts in all. When piece measures 9 1/2" (10-10 1/4") from beg, **SHAPE ARMHOLEs:** bind off 7(8-9) sts, cont in dc across 123 (127-131) sts (= Front), bind off 14 (16-19) sts, cont across next 123 (127-131) sts (= Back), leave next 7(8-10) sts unworked; turn. Work across Back sts, dec at ea edge and on ea row 2 sts once and 1 st 2(3-4) times. When piece measures 12 3/4(13 1/2-14 1/4)" ins from beg, work 1 row sc and at the same time dec evenly 9(11-13) sts. Fasten off 106 sts remain. Now work across 123 (127-131) Front sts to correspond.

WAISTBAND WS of Bodice facing, attach yarn with sl st in beg ch at one "seam". Work 247 (260-273) tr around Bodice edge (1 rnd tr should measure 5/8" high). After completing Waistband, cont with Skirt.

SKIRT FRONT & BACK: Thru-out, work dc and Rdc in rnds with "row effect". RND5 1-2: Dc all around. RND 3: Distribute sts thus: * 1 dc, 1 Rdc, 15 (16-17) dc (=1 gore). 1 Rdc, 1 dc, rep from * 12 times more (=13 times in all). NEXT RND5: Work in pat as established, but at the same time inc in center of each gore 1 st every 6 rnds 11 times = 390(403-416) sts. When skirt measures 18 3/4 (20-21 1/4") from Waistband, fasten off.

MOTIF BAND: Join 26 Square Motifs into band, then join band to form circle. Across one edge of band circle work rnd thus: * 1 dc in ch lp, 2 ch, rep from * around, having 2 dc per ch lp; close, fasten off. Sew this edge to bottom of skirt with slip-stitches (you should have 2 motifs at

end of each gore). Now work across free edge of motif band. RND 1: * 1 dc in ch lp. 2 ch, rep from * around, having 2 dc per ch lp. RNDs 2-6: Dc and Rdc, having Rdc's in line with skirt pat as established. At end of rnd 6, fasten off.

JOKE Complete 12 Square Motifs and join 5 x 3 motifs to form rectangle. **EDGING:** RS facing, attach thread with sl st in inner edge of rectangle (= center of Back Neck) and work around all four inner edges. **RND 1:** * 1 dc in ch lp. 2 ch, rep from * around. **RNDS 2-3:** Sc all around; close with sl st in first sc. At end of rnd 3, fasten off.

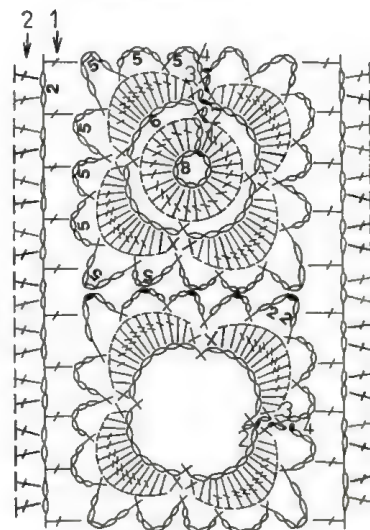

SLEEVES: For each sleeve complete 5-motif band, join band

to form circle. Across one edge of band circle work in rnds with "row effect" same as for Bodice. RND 1: * 1 dc in 1 ch lp, 2 ch, rep from * around. RND 2: 1 dc, having 2 or 3 dc in ea ch lp to obtain 96(100-106) sts in all (sleeve should measure 3/4" from edge of band circle). SHAPE CAP: At each edge bind off 4(6-9) sts once, then, on every row, 2 sts once and 1 st 6 times. When piece measures 4 1/4 (4 3/4-5") from edge of band circle, fasten off - 72 sts remain. EDGING: Across free edge of band circle work thus: RND 1: * 1 dc in 1 ch lp, rep from * around. RNDs 2-3: Dc all around. RND 4: * 1 dc, 1 ch, sk 1 st, rep from * around (= eyelets). RND 5: Dc. RND 6: Sc all around, fasten off.

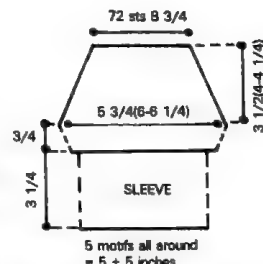

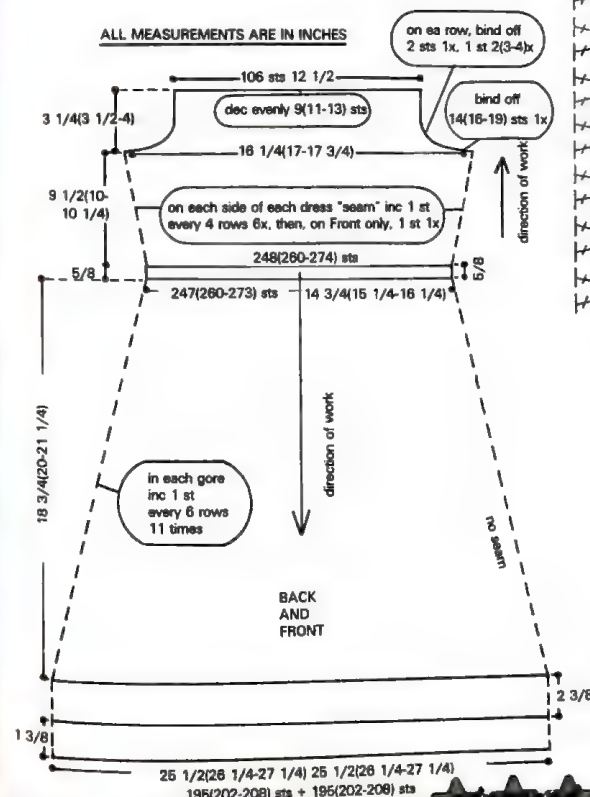

DRAWSTRING: Work chain measuring about 60 inches, turn, work 1 hdc in 3rd st from hook and in each st across. Fasten off.

FINISHING: Sew sleeves in place. RS facing, attach yarn with sl st at beg of Back, work (1 dc, 2 ch, sk 2 sts) around Back, L Sleeve, Front and R Sleeve (= eyelets), close, fasten off. Sew Yoke to this eyelet rnd. Run drawstring thru tr of Waistband.

MATERIALS Crochet cotton no. 5, ivory, ca. 2,150 yds. Steel crochet hook US size 2 or **SIZE FOR GAUGE**. Set of dp knitting needles, US size 2. Imitation ivory buttons 3/4" in diameter, 4. Blunt-end hand-sewing needle.

GAUGE 4" square = 34 sts and 12 1/2 rows in pat st. **TO SAVE TIME, TAKE TIME TO CHECK GAUGE.**

NOTE We prefer knitted ribbing because it is light, neat and helps to keep the shape of this airy cardigan. If you feel more comfortable with a hook, work ribbing in single crochet using a slightly smaller hook size. Fillet st has ch-1 spaces.

LEFT FRONT: Same as Right Front, but see pat st diagram for beg of row 1, and reverse all shapings.

SLEEVES: Beg at cuff, ch 105 + 4 to turn, **ROW 1:** Dc in 7th st from hook, 5 om, 80 sts in pat st, end with 6 om.

NEXT ROWS: At each edge inc (1 st every other row once, 1 st on each row 6 times) 5 times, on next row inc 1 st at each edge (= 36-st inc at each edge, you should have 177 sts in all on row). Work even until piece measures 42 rows from beg of piece. **SHAPE CAP ROWS 1-15:** Dec at each edge following Diagram 4. At end of row 15, fasten off.

FINISHING: Using overhand stitches, sew shoulder seams. Join Fronts and Back up WS by working ch lps and sl sts across each side seam (see Joining diagram).

RIBBINGS: Holding 2 strands of thread tog, with knitting needles pick up required number of sts (see diagram of respective pattern piece) across body edge and cuff edge, work in 2/2 rib (= k2, p2 on RS, work sts as they face you on WS). Bind off with needle (see how to). Next, pick up required number of sts across fronts and neck, work in 2/2 rib but on Right Front shape 4 buttonholes, spacing as shown on buttonhole diagram.

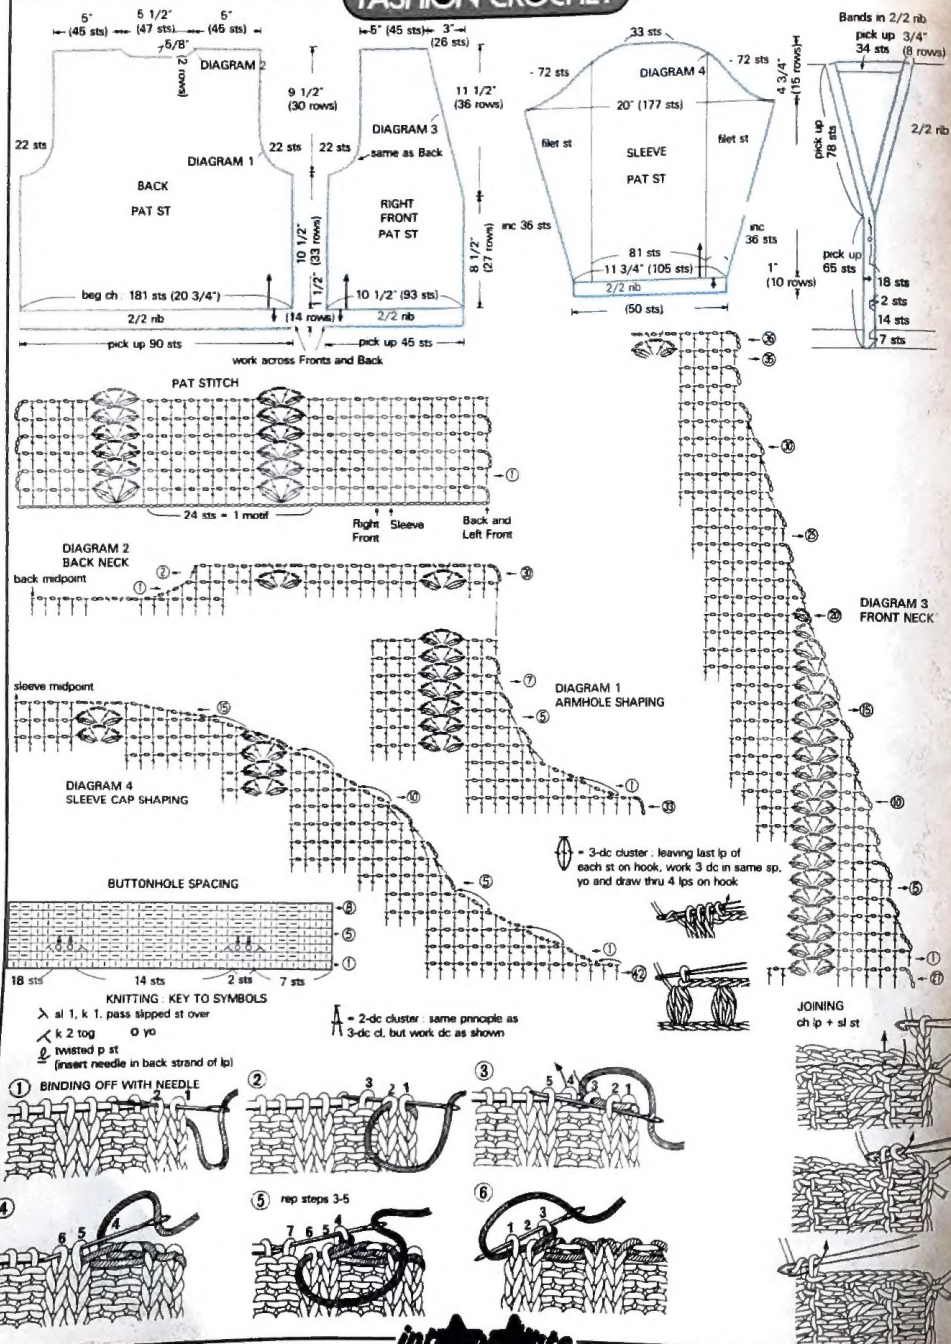

FINISHING: Join sleeve seams on WS with sl sts and ch sl same as Fronts and Back. Sew cuff seams with invisible st. Join sleeves in place with sl sts. Sew on buttons opposite buttonholes.

TO MAKE

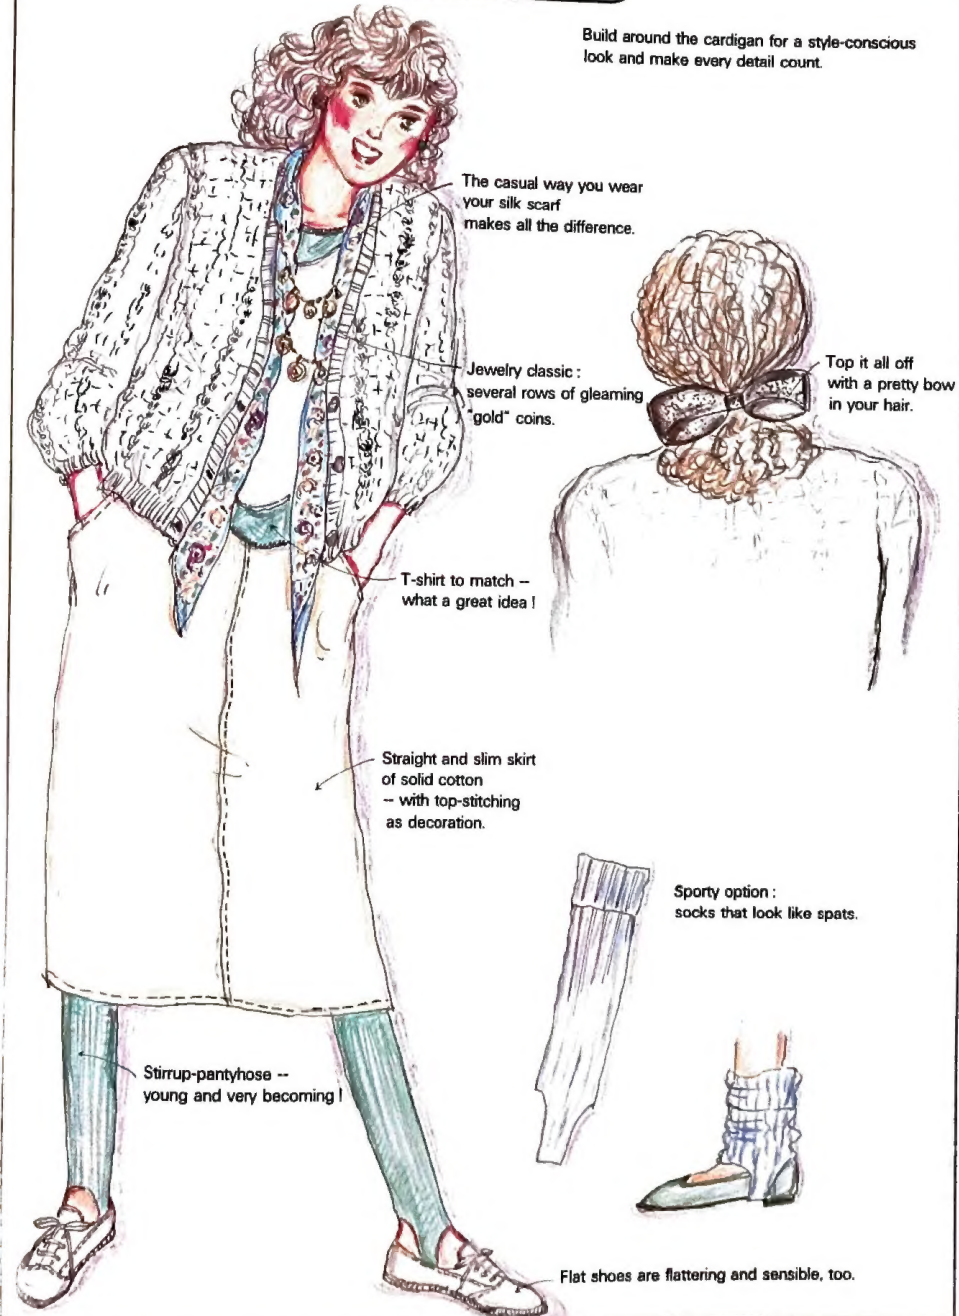

BACK: Beg at lower edge, ch 181 + 4 to turn (3 ch = first dc, 1 ch forms first om). **ROW 1:** Work motifs as per pat st diagram (for 3-dc cl, see additional symbol). Arrow shows beg of pat; ch 4, turn. **ROWS 2-33:** Work even in pat st; ch 4, turn each row. **SHAPE ARMHOLES:** Follow Diagram 1. **SHAPE NECK:** See Diagram 2. RIGHT FRONT: Beg at lower edge, ch 93 + 4. **ROWS 1-27:** Work even as per pat st diagram (see arrow for beg of row 1). **SHAPE V-NECK:** **ROWS 1-36:** Follow Diagram 3, and at the same time, on row 34 from beg of piece, **SHAPE ARMHOLES** as per Diagram 1. At end of row 36 of Neck Shaping, fasten off.

FASHION CROCHET

FASHION CROCHET

SIZE: Displayed on oval wood piece measuring ca. 5 x 7 ins.

MATERIALS AND EQUIPMENT: Your only MATERIAL is quilling paper in different colors. To make strips, you can use colored drawing paper or letter paper (1 sheet per color), a cutter and a ruler to measure the width and length of each strip. Stack several sheets neatly before cutting. Pre-cut quilling paper in different colors is also available in strips 1/8" or 1/4" wide. The EQUIPMENT you will need is extremely modest: a plate of glass to protect your working surface; a corsage pin (or a quilling pin from Quill Art Inc., 11762 Westline Drive, St. Louis MO 63146); white craft glue; and flat toothpicks. We do not recommend using round toothpicks to roll as they make it difficult to obtain the tiny center that is the hallmark of successful quilling.

HOW TO QUILL

The size of each rolled piece will depend on the length of strip you use and also on how tightly or loosely you roll. Our instructions give you the number, length (in parentheses) and color of strips, and tell you what shapes to roll. Before starting a pattern, practice quilling each type of shape. Getting the right tension at the beginning of your roll makes all the difference. Beginners often run into trouble on three counts: difficulty in starting the roll on a pin, rolling too

tightly, or rolling unevenly. So don't be discouraged if your first attempts aren't perfect -- this can happen to anyone! With a little practice you will find it easy to make smooth rolls, and your design will be beautiful. To get the length of paper you need, take 4 or 5 strips at a time, measure, then tear off (a torn end is less noticeable when glued, so avoid using scissors). Start out by rolling all the strips you will need for your design. After all strips are rolled, apply glue and give shape to each piece in one operation.

HOW TO ROLL

Hold end of a paper strip between thumb and index finger and pinch it around quilling pin. If you have trouble starting the roll, moisten your fingertips.

Begin a roll by wrapping strip very tightly, so as to form a tiny center, then relax tension and continue to roll strip.

Rolled paper strip.

Apply dab of glue with flat toothpick to fix strip end in place.

SHAPES YOU WILL NEED

LOOSE ROLL. This is the basic quilling shape.

TIGHT ROLL. Roll paper strip tightly around pin, glue end in place before removing pin.

Also called a PEG when used to raise an element of the design.

MATERIALS: For quilling, paper strips 1/8" wide (you can buy fifty 24"-long strips to a package), in Lavender, Violet, Cranberry and Brown. For background, oval piece of wood or shallow display case 5 x 7 ins. A few velvet vine leaves with stem.

LOOSE ROLLS: About 50, using strips 4"-long for small grapes and 4 3/4"-long or 7"-long for big grapes.

TO MAKE

To form first layer, position GRAPES as per photograph and glue pieces to each other. Form second and third layers on top of first layer, placing a few grapes at random for a more natural appearance and to give depth to the design.

Cluster two or three grapes of the same color and position these groups for greater artistic effect.

TENDRILS: Cut a 6-in Brown strip lengthwise into 3. Roll each strip spirally around a toothpick, stretch each end of spiral to form graceful tendrils. Glue in place on top of grape cluster as shown on photograph.

FINISHING: Glue design to board, glue leaves in place.
